TBC

Programme: Others  
Audience: All

### Open Science series

TBC

Programme: Others  
Audience: All

### Patents / Spin-offs

TBC

Programme: PhD Programme  
Audience: PhD students, Postdocs

## HEALTH AND SAFETY

### Basics of magnetic field safety

March

Programme: PRL  
Audience: Staff working near magnetic fields

### Laser safety training

June / December

Programme: PRL  
Audience: Staff working near laser systems (3R, 3B, 4) or intense light sources

### Road safety

June

Programme: PRL  
Audience: All

### Handling, storage, transport & use of compressed gas & cryogenic cylinders

September

Programme: PRL  
Audience: Staff handle compressed gases and cryogenic materials

### H&S in ergonomics

December

Programme: PRL  
Audience: All

### Hazards working with Visual Display Units (VDU)

Continue

Programme: PRL  
Audience: Workstation users

### Basic health and safety awareness training

Continue

Programme: PRL  
Audience: New entries

### Laboratory Safety Guidelines

Continue

Programme: PRL  
Audience: Laboratory staff

## LANGUAGES

### ICN2 Languages

April

Programme: Languages  
Audience: All

### Thesis Defense

April

Programme: PhD Programme  
Audience: PhD students
